

# COVID-19 policies and updates

Flow Guiding Service is happy to announce a soft opening for the rest of the summer and fall 2020. We will follow the guidelines set forward by health authorities and our governing bodies and stakeholders. We have added protocols and guidelines to follow while conducting guiding during this period of time. Everyone's safety, health, and well-being are the most important. Following the best practices set forward by the governing bodies, we can effectively reduce the risk of COVID-19 transmission and resume guiding activities in a responsible manner.

## Steps and Protocols to minimize the risk to COVID-19

- Guests and guides will sign a declaration of health before each trip
- If you are unwell we ask you to stay home and we offer a refund
- Private booking, household, or small social bubbles.
- Social distancing practice 2m+
- Guides will wear a mask and use hand sanitizer when social distancing isn't possible -2m
- Guest will provide their own lunch, snack, and water for the trips
- Guest will provide their own mask or face covering, Guides will carry a spare and limited amount of extras
- Guest will drive to the trailhead in their own vehicle
- First Aid kits have been updated with extra Personal Protective Equipment (PPE)
- Equipment will be disinfected before each use and after
- Equipment is for individual use and is not to be shared without proper cleaning
